10 Year Anniversary of the Urban Indian Health Institute

This July marks the Urban Indian Health Institute's 10th anniversary! Through the past 10 years we have seen many successes and have been fortunate to have a number of opportunities to serve the urban Indian community throughout the nation. We are grateful to all our partners who have assisted us throughout the years and hope you can join us in celebration of this monumental occasion. As the UIHI moves forward with new staff, projects, and vision, we hope that the urban Indian health family will continue to support our efforts and partner with us to address the health needs of our community. The UIHI would like to give a special thank you to the urban Indian health organizations, its advisory council members, project officers, and other key leaders that have helped to make the past ten years successful. We look forward to many more years of continued service to the urban Indian community.

On Wednesday, July 21st from 5pm to 7pm, the UIHI will host an open house reception in Seattle to celebrate the achievements of the past 10 years and the journey ahead. If you are in the Seattle area on the 21st, please join us for the celebration.

Location: 1225 S Weller Street
Suite 510
Seattle, WA 98144

Open House: Wednesday, July 21st, 5pm to 7pm

If you have any questions, please email info@uihi.org.
