Grant Announcements

Healthy People 2020 Community Innovations Project: Request for Proposal

The purpose of this RFP is to solicit community-level projects that use Healthy People 2020 overarching goals, topic areas and objectives to promote improved health at a community level. Funding is intended to support activities above and beyond general operations. Using the projects funded through this RFP, the Office of Disease Prevention and Health Promotion (ODPHP) intends to evaluate how the Healthy People 2020 overarching goals, topic areas and objectives are being used to improve the health of communities.

- Proposals Due: 7:00 p.m. EDT, August 5, 2011
- This is a one-time funding opportunity
- Awards will range from $5,000 to $10,000
- Up to 170 projects will be funded
- Non-profits with budgets less than $750,000 can apply for these funds
• Bidders conference call on June 27

**Announcements and Opportunities**

**Conference Call: Urban Indian C.A.R.E.S. (Colon and Rectal Education and Screening), July 5, 2011, 11:30 a.m. PT**

Urban Indian C.A.R.E.S. (Colon and Rectal Education and Screening) aims to promote education, testing and treatment of colorectal cancer for urban American Indians and Alaska Natives through the urban Indian health organizations (UIHO) nationwide.

• This workgroup, comprised of UIHO, state and other representatives, has monthly conference calls to discuss project updates, activities and next steps. Conference calls are also an opportunity for participants to network and share information about successes, challenges and needs around colorectal cancer outreach and screening
• Please join us for our next conference call on **Tuesday, July 5th at 11:30am (Pacific)**
• Conference calls are free and open to the public. Health educators, cancer screening coordinators and all UIHO staff are encouraged to participate.
• To attend the call, dial the toll free number 1-888-296-6500 and enter Guest Code 199758
