**6th Annual Urban Indian Health Conference**

Join us in Seattle for the National Urban Indian Health Conference "35 Years of Indian Health Care Improvement: Showcasing Urban Indian Health Organizations." 2011 marks the 35th anniversary of the Indian Health Care Improvement Act and Title V which gave recognition to the health needs of urban Indians. Conference participants will learn how urban Indian health organizations approach their work in serving urban Indian populations and will be given information and updates to move forward and expand upon this work. This conference welcomes health care professionals, providers, and agency representatives from across the country coming together to network and address issues relevant to the health needs of Urban Indian people.
