August, 2011

This e-mail is provided by the Urban Indian Health Institute, a division of the Seattle Indian Health Board. It contains opportunities for staff development, grant announcements and other relevant public health information. We hope you find these resources useful. If you have any questions about the information below, or you are unable to open any of the links, please contact info@uihi.org. If this e-mail was forwarded to you, you may sign up here.

Announcements and Opportunities

Webinar 2: CDC’s National Comprehensive Cancer Control Program
August 26, 2011, 10:00 am Pacific Time

The next UIHI WEAVING Project webinar is Friday, August 26, 2011, 10am Pacific Time.

- Ann Larkin, MPH and Team Lead, the Centers for Disease Control and Prevention (CDC), Division of Cancer Prevention and Control (DCPC), Comprehensive Cancer Control Branch (CCCB), will present an overview of the CDC’s National Comprehensive Cancer Control Program (NCCCP).
- Ginny Furshong, Program Director for the Montana Comprehensive Cancer Control Program, will share information about Montana’s Comprehensive Cancer Control Coalition and discuss opportunities for collaborations between UIHO and their state Comprehensive Cancer Control program.
- Updates on the UIHI’s WEAVING Project will also be shared.

Please click here for information on how to access the webinar.
Save the Date - Webinar 3: Susan G. Komen for the Cure, Community Profiles
September 7, 2011 10:00am

The third WEAVING Project summer series webinar: Susan G. Komen for the Cure, Community Profiles, will be held on Wednesday, September 7, 2011 at 10 am Pacific Time.

- The Susan G. Komen Community Profiles, developed by the local Komen affiliate offices, are a helpful resource for breast cancer information in the local community. These resources can be used to inform grant writing, program development and program planning.
- Dr. Nadine Barrett, Manager, Community Health at Susan G. Komen for the Cure Global Headquarters and Gail Brownmiller, Director of Community Programs at Susan G. Komen for the Cure, Oregon & SW Washington Affiliate, will introduce the Community Profiles, suggest ways that the Community Profiles can be used by UIHO in their program efforts, and discuss potential opportunities for UIHO involvement in the development of their local Community Profile.
- Information on how to access the September 7 webinar will follow in next week's announcement.

If you have any questions or comments about either webinar, please contact Meg Fairweather, Project Coordinator, MeganF@uihi.org or 206-812-3035.

Resources

NPA Toolkit for Community Action

To support community efforts in the goal of ending health disparities and promoting health equity, the Office of Minority Health has released the new National Partnership for Action (NPA) NPAToolkit for Community Action. This toolkit provides community members with information and resources to engage the public and local media concerning health disparities and their impact on society. View the National Partnership for Action Toolkit for Community Action here.
