It contains opportunities for staff development, grant announcements and other relevant public health information. We hope you find these resources useful. If you have any questions about the information below, or you are unable to open any of the links, please contact info@uihi.org. If this e-mail was forwarded to you, you may sign up [here](#).

Announcements

[Webinar 4: New Resources on Breast and Cervical Cancer Screening from UIHI's WEAVING Project: September 26, 2011 11:00am PT](#)

The Urban Indian Health Institute's [WEAVING Project](#) is hosting a series of four webinars this summer to discuss topics around breast, cervical and colorectal cancer screening.

The next webinar in the series will present:

- *New Resources on Breast and Cervical Cancer Screening from UIHI's WEAVING Project*, which will be held on **Monday, September 26, 2011 at 11:00 am Pacific Time**.
- This webinar will share new resources being developed by the WEAVING Project, including regional and national cancer screening fact sheets, an updated report on Urban American Indian and Alaska Native Women Screened through State Programs of the CDC National Breast and Cervical Cancer Early Detection Program, and an updated program Web site.
- Please [click here](#) for information on how to access webinar 4.
- If you have any questions or comments about the webinar, please contact Meg Fairweather, Project Coordinator, meganf@uihi.org or 206-812-3035.

Resources and Training

["American Indian/Alaska Native Guide to Preventable Cancers" resource from the Prevent Cancer Foundation](#)

Developed by the Prevent Cancer Foundation, the purpose of this guide is to increase education and knowledge about cancer prevention and early detection throughout Indian Country. It is intended for medical professionals, community health workers, health educators, and individuals.

Please [click here](#) to access electronic copies of the guide. Paper copies of the guide are also available free of charge, while supplies last. To order copies, please [click here](#) or contact Sarah Abou-El-Seoud Programs Associate, Prevent Cancer Foundation at Sarah.Abou@preventcancer.org.

[Updated Urban Indian Health Organization Profile pages](#)

UIHI has updated the [Urban Indian Health Organization Profiles](#) section of our website. These pages now include the following:

- UIHO contact information
- Local Public Health Authority contact information
- Emergency Preparedness Links
- State Cancer Program links
- IHS Area Health Promotion Disease Prevention Coordinator contact information
- UIHO Service Area Counties
- Link to most recent Community Health Profile publication

More reports, resources and other information can be found on the UIHI website, www.uihi.org
