### Announcement

#### [UIHO CEO Position Open](#)

The Board of Directors of the Indian Health Center of Santa Clara Valley (IHC) in San Jose, California seeks a resourceful and visionary executive leader in the field of primary health care to serve as the IHC Chief Executive Officer. For more information, please see the CEO position description posted at [IHC's website](#).

### Grants

#### [Robert Wood Johnson Foundation Community Health Leaders](#)

The Robert Wood Johnson Foundation (RWJF) Community Health Leaders is requesting nominations for the 2011 cycle. RWJF honors up to 10 outstanding and otherwise unrecognized individuals who overcome odds to improve health and health care to underserved populations.

Awards in the amount of \$125,000 each will be made. Each new leader will receive a personal award of \$20,000 to recognize his or her accomplishments and \$105,000 to support a defined two-year project at the organization with which the leader is associated.

Nomination Deadline: **November 28, 2011** (3:00 PM EST). For more information [click here](#).

## Training

**Webinar: [AI/AN Youth & Mental Illness: How Tribal Communities can Reach Troubled Teens](#)**

**Wednesday, November 9, 2011 from 1:00pm to 2:15pm ET.**

This webinar event, co-sponsored by the Center for Native American Youth at the Aspen Institute and the TeenScreen National Center, will highlight the impact of these school and clinic-based screening programs, and offer hands-on tips for incorporating adolescent screening in American Indian/Alaska Native communities.

TeenScreen is a **FREE** mental-health check-up program that can be implemented in schools, clinics or other frontline places working with youth. For more information and to register for the webinar please [click here](#).

**Webinar: Healthy People Live in Healthy Places**

**Tuesday, November 29, 11:30 AM to 1:00 PM PST**

The Public Health Institute's Dialogue4Health and the San Francisco Foundation's "Healthy People Live in Healthy Places" 3 part Web Forum series will outline a vision for healthy communities and highlight some of the insights learned from successful endeavors to create healthy and livable communities across the country. Sign up [here](#) for the first webinar: The Built Environment: Health Policy in Concrete.
