Training

Webinar: Release of Findings from the Urban Diabetes Care and Outcomes Audit Report

December 1, 2011, 1:00 p.m. Pacific Time (2 p.m. Mountain, 3 p.m. Central, 4 p.m. Eastern)

Please join the Urban Indian Health Institute (UIHI) on Thursday, December 1, 2011, to review the results of the Urban Diabetes Care and Outcomes Audit Report. This report summarizes the performance of the urban Indian health organizations' (UIHO) diabetes programs, using data from the 2006-2010 Indian Health Service (IHS) Diabetes Audit to track select key measures.

Highlights from this webinar include:

- Presentation of findings from the 2006-2010 aggregate report, highlighting key measures
- Review of other data available in the aggregate report, including five-year trends and comparisons to national standards
- Discussion of findings with webinar participants
- UIHI and IHS DDTP staff available to answer questions about the findings and the Diabetes Audit.

This webinar is free and open to the public. For more information about this webinar and how to join please [click here](#).

If you have any questions or require more information please contact Elizabeth Knaster at 206-812-3032 or elizabethk@uihi.org.
