

Resources and Opportunities

Provided by the Urban Indian Health Institute
A division of the Seattle Indian Health Board

12 December, 2011

This e-mail is provided by the Urban Indian Health Institute, a division of the Seattle Indian Health Board. It contains opportunities for staff development, grant announcements and other relevant public health information. We hope you find these resources useful. If you have any questions about the information below, or you are unable to open any of the links, please contact info@uihi.org. If this e-mail was forwarded to you, you may sign up [here](#).

Resources

Webinar Recording Now Available: Release of Findings from the Urban Diabetes Care and Outcomes Audit Report

A recording of the Urban Indian Health Institute's (UIHI) webinar, "Release of Findings from the Urban Diabetes Care and Outcomes Audit Report" is now available for download on UIHI's web site. Visit our [Urban Diabetes Care and Outcomes Audit page](#) to view a recording of the webinar and/or download the PowerPoint presentation.

This presentation reviews the results of the [Urban Diabetes Care and Outcomes Audit Report](#) and summarizes the performance of the urban Indian health organizations' (UIHO)

diabetes programs using data from the 2006-2010 Indian Health Service (IHS) Diabetes Audit to track select key measures.

If you have any questions or would like more information about this report, please contact Elizabeth Knaster at 206-812-3032 or elizabethk@uihi.org.

Training

[Leadership Education And Development \(LEAD\) Summer Business Institute](#)

The Native American Finance Officers Association invites American Indian and Alaska Native students to apply for the Leadership Education And Development (LEAD) Summer Business Institute. During this 3-4 week summer program students live on a college campus and learn about business and finance careers. Youth will meet corporate executives and take classes in marketing, finance, and economics with world-renowned professors. Students learn about college admissions and participate in business and stock market competitions. Prior business experience is not required.

- **Deadline: January 9, 2012**
- To learn more about this internship [click here](#)

[2012 Barbara Jordan Health Policy Scholars Program](#)

The Barbara Jordan Health Policy Scholars Program is an 11-week summer program that brings talented young adults to Washington, D.C., where they are placed in congressional offices to learn first-hand about health policy and the legislative process, and to learn about issues affecting racial and ethnic minority and underserved communities.

- Scholars receive approximately \$7,500 in support, stipend, daily expense allowance, and lodging for the summer at Howard University.
- Open to individuals who are members of a population that is adversely affected by racial or ethnic disparities in health
- **Deadline: December 16, 2011**
- For more information [click here](#)

Grants

[Celebrating Solutions Awards Program: Roth Award for Underserved Populations](#)

The Mary Byron Project's Celebrating Solutions Awards and the Roth Award honor innovative programs that demonstrate promise in ending the generational cycle of domestic violence. Programs are selected that can serve as models for the nation and offer cash awards of \$10,000 in recognition of their pioneering efforts. These are awards for accomplishments, not grants for future projects. The Roth award has been created specifically for programs that address the needs of underserved populations.

- **Deadline: December 16, 2011**
- For more information and how to apply [click here](#)

[Request For Proposals: Strategic Champions Project](#)

The National Heart, Lung, and Blood Institute's (NHLBI's) Community Health Worker (CHW) Health Disparities Initiative is requesting proposals to fund Strategic Champions who can play a pivotal role in the Initiative by implementing and assessing one or more of the following activities:

- Train Community Health Workers (CHWs) and build their capacity to utilize NHLBI curricula and address heart health through partnership building and innovative strategies
- Expand and enhance successful CHW or heart health programs to broaden the use of NHLBI training, curricula and materials in the community through partnership building and innovative strategies
- Proposals are **due by 5:00 p.m. Eastern Standard Time, January 13, 2012**
- To learn more [click here](#)
