It contains opportunities for staff development, grant announcements and other relevant public health information. We hope you find these resources useful. If you have any questions about the information below, or you are unable to open any of the links, please contact info@uihi.org. If this e-mail was forwarded to you, you may sign up here.

Grants

Funding Opportunity Announcement: Tribal Maternal, Infant, and Early Childhood Home Visiting (TMIECHV) Grant Program under the Affordable Care Act (ACA)

This funding opportunity will support 5-year demonstration grants (cooperative agreements) between the Administration for Children and Families (ACF) and Federally-recognized Tribes (or a consortium of Tribes), Tribal Organizations, or Urban Indian Organizations to conduct community needs assessments; develop the infrastructure needed for widespread planning, adopting, implementing, expanding, enhancing, and sustaining of evidence-based maternal, infant, and early childhood home visiting programs; and provide high-quality evidence-based home visiting services to pregnant women and families with young
children aged birth to kindergarten entry.

Letters of Intent are due **May 30, 2012**.

Applications are due **July 16, 2012**.

Funding Opportunity Announcement: Basic Center Program

The Administration for Children and Families' (ACF), Administration on Children, Youth and Families' (ACYF), Family and Youth Services Bureau (FYSB) is accepting applications for the Basic Center Program (BCP). The BCP works to establish or strengthen community-based programs that meet the immediate needs of runaway and homeless youth and their families. The programs provide youth up to age 18 with emergency shelter, food, clothing, counseling and referrals for health care.

Public and non-profit agencies or a combination of such entities are eligible for awards under this funding opportunity.

Applications are due **July 9, 2012**.

Grant Opportunity: Implementation Cooperative Agreements for Expansion of the Comprehensive Community Mental Health Services for Children and their Families Program Grant

The Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, is accepting applications for a cooperative agreement to improve the behavioral health outcomes of children and youth with serious emotional disturbances and their families. This program supports broad-scale operation, expansion and integration of systems of care through the creation of sustainable infrastructure. The goal of the System of Care (SOC) Expansion Implementation Grants is to build upon progress made in developing comprehensive strategic plans to expand and sustain the system of care values and principles to address the needs of children and youth with serious mental health conditions and their families.

Pre-application webinar on **May 30, 2012** from 3-5pm EST

Applications are due **June 19, 2012**.
