Funding Opportunities

RCHN Health Center Entry-Level Workforce Initiative

The RCHN Community Health Foundation requests proposals to apply for funds to support the development and implementation of recruitment, training and retention programs focused on entry-level staff including administrative, clinical, and allied health workers. RCHN is especially interested in local models that may be applicable to or replicated in broader geographies.

Application Deadline: October 31, 2012 at 5:00 pm (Eastern Time)
Award Amount: $200,000
More information about the RCHN Health Center Entry-Level Workforce Initiative can be found online.

Training

CDC Perinatal Quality Collaboratives Webinar Series

This webinar series is designed to promote knowledge transfer between state perinatal quality collaboratives (PQC). Webinars will be held once every other month and made available to participants in all states, specifically targeting hospitals, physician organizations, health agencies, and payers. Live participation will be strongly encouraged; however, webinars will also be recorded and archived on the CDC PQC webpage for later viewing.

Perinatal Quality Collaboratives 101
October 15, 2012: 3:00 pm - 4:30 pm (Eastern Time)

This webcast will discuss an overview of quality improvement in perinatal and maternal care as demonstrated by two established state-based Perinatal Quality Collaboratives, including the purpose and success of collaboratives, and the basic structure of a collaborative.

Information about how to attend the Perinatal Quality Collaboratives 101 Webinar and Future Webinars can be found online.
