CATCH Planning, Implementation and Resident Grants

Community Access to Child Health (CATCH) supports pediatricians and pediatric residents to plan or pilot community-based child health initiatives that increase access to medical homes and health services not otherwise available. Projects should lead to the implementation of sustainable programs that can be replicated.

Planning and Implementation Grants
Award Amount: $5,000 to $12,000

Resident Grants
Award Amount: $3,000

Application Deadlines: January 31, 2013

More information about the CATCH Planning, Implementation and Resident Grants can be found online.

Conference

15th Native Diabetes Prevention Conference

The American Indian Institute at the University of Oklahoma announce is pleased to announce the 15th Annual Native Diabetes Prevention Conference. The ongoing theme of this conference is "Protecting the Generations: A Lifespan Approach to Preventing Diabetes." General sessions, workshops, and wellness activities will focus on diabetes prevention using a blend of traditional and contemporary strategies.

15th Native Diabetes Prevention Conference
January 27-30, 2013
Phoenix, AZ

More information about the Native Diabetes Prevention Conference can be found online.
Fellowship Opportunity

NBCC Minority Fellowship Program

The National Board of Certified Counselors (NBCC) has opened the application period for the NBCC Minority Fellowship Program. This program will provide up to 24 fellowships to diverse doctoral students in counseling. The Minority Fellowship Program seeks to increase the number of professional counselors who have received advanced training and who are skilled in providing effective services to underserved populations.

Award Amount: Up to $20,000
Application Deadline: February 28, 2013

More information about the NBCC Minority Fellowship Program can be found online.
