January 22, 2013

This e-mail is provided by the Urban Indian Health Institute, a division of the Seattle Indian Health Board. It contains opportunities for staff development, grant announcements and other relevant public health information. We hope you find these resources useful. If you have any questions about the information below, or you are unable to open any of the links, please contact info@uihi.org. If this e-mail was forwarded to you, you may sign up here.

Training

The Northwest Center for Public Health Practice Training Finder Tool

The Northwest Center for Public Health Practice (NWCPHP) out of the University of Washington releases a new Training Finder Tool that searches NWCPHP's nearly 200 online courses, webinars, toolkits and guides, in-person trainings, as well as their institute and certificate programs.

Trainings through NWCPHP can be found through their Training Finder Tool online.
Breast and Cervical Cancer Screening GPRA Measure Trainings

Carolyn Aoyoma, IHS Senior Consultant for Women's Health, will be discussing cervical and breast cancer rates, current screening guidelines, as well as strategies for improving pap screening and mammography rates.

Breast Cancer (Mammography) Screening
January 25, 2013: 11:00 am - 12:00 pm (Pacific Time)

Cervical Cancer (Pap) Screening
February 1, 2013: 10:00 am - 11:00 am (Pacific Time)

Access both webinars on Adobe Connect. For more information, contact the National Government Performance and Results Act (GPRA) Support Team at CAOGPRA@ihs.gov.

Fellowships

CityMatCH Maternal and Child Health-Public Health Leadership Institute Fellowship

CityMatCH is accepting applications to become a Fellow at the Maternal and Child Health-Public Health Leadership Institute (MCH-PHLI). MCH-PHLI is a fully funded leadership development opportunity which includes three executive-style retreats for a total of 10 days of intensive leadership development designed to build practical skills for effectively leading and managing people and advocating for the MCH systems of tomorrow.

Application Deadline: February 1, 2013

More information about the Maternal and Child Health-Public Health Leadership Institute Fellowship can be found online.

National Cancer Institute Health Communications Internship Program

The Health Communications Internship Program gives highly qualified graduate students and recent graduate degree recipients the opportunity to participate in vital health and science communications projects in one of the many offices that make up the National Cancer Institute. Interns will select an area of emphasis on either health communications or science writing. Six-month and one-year internship terms are offered.

Application Deadline: March 5, 2013

More information about the Health Communications Internship Program can be found online.

Funding Opportunity

Behavioral and Integrative Treatment Development Program Grant (R03)

The National Institute on Drug Abuse, the National Institute on Alcohol Abuse and Alcoholism and the Office of Behavioral and Social Sciences are seeking research grant applications on the development and testing of behavioral and integrative treatments for
drug and alcohol abuse and dependence. The purpose of this funding opportunity for R03s is to encourage investigators to propose discrete well-defined projects that can be completed within two years. Projects of interest fall within the research domain of behavioral or integrated interventions.

Application Deadline: **February 16, 2013**  
Award Amount: $100,000

More information about the [Behavioral and Integrative Treatment Development Program Grant](http://www.uihi.org) can be found online.

More reports, resources and other information can be found on the UIHI website, [www.uihi.org](http://www.uihi.org)
