Men's Health Network Building Resilience, Community and Culture Among Young Native Men and Boys Webinar

This series is part of a historic, ground-breaking collaborative effort of concerned stakeholders who want to bring greater attention and understanding to the greater health disparities faced by AI/AN men than all other U.S. groups. Hosted by the Indian Health Service, along with Men's Health Network, the Substance Abuse and Mental Health Services Administration, the Office of Minority Health and Society of Public Health
Education, the 6-part series will address not only the current challenges but also highlight solutions and promising practices now underway in the community.

The next webinar in the series:
**July 18, 2013** 3:00 p.m. - 4:30 p.m. (Eastern Time)
