National Council for Behavioral Health Open Enrollment for Providers Webinar

Join the National Council, Enroll America and the Substance Abuse and Mental Health Services Administration (SAMHSA) to learn about simplified enrollment, the healthcare marketplace and available enrollment resources and assistance for behavioral health providers in this webinar. Presenters will review simplified enrollment applications for Medicaid and the Marketplace, explain how to work with and become a Certified
Application Counselor and share the top resources from Enroll America and SAMHSA to make the most of new insurance opportunities.

The ABCs of Open Enrollment for Behavioral Health Providers  
October 31, 2013 1:00 p.m. - 2:30 p.m. (Eastern Time)

Find more information about the [Open Enrollment for Behavioral Health Providers Webinar](#) online.

National Coalition of STD Directors Sexual Health Rankings Project Webinar

Join the National Coalition of STD Directors for this webinar to hear a perspective from the Sexual Health Rankings project. The webinar will focus on the World Health Organization definition of sexual health that emphasizes wellness, accounts for the determinants of health, and encompasses human rights, sexual expression and identity, and sexual pleasure, rather than the absence of sexually transmitted disease.

**How Can We Measure Sexual Health? A Perspective from the Sexual Health Ranking Project**  
November 21, 2013 1:00 p.m. - 2:30 p.m. (Eastern Time)

**Resource**

**Safe Infant Sleep Campaign Packet**

The National Institute of Child Health and Human Development (NICHD) and its collaborators in American Indian/Alaska Native (AI/AN) communities recently released a packet of tailored training materials and activities intended to help spread safe infant sleep messages in Native communities. The new [Healthy Native Babies Project Facilitators Packet](#), currently available online only (print copies coming soon), is designed to complement the [Healthy Native Babies Project Workbook Packet](#). This packet includes a Toolkit CD-ROM that enables users to create custom outreach materials, released in 2010.
